PROFESSIONAL SUMMARY

As a passionate and detail-oriented Frontend Developer, I am committed to creating visually captivating, user-friendly, and accessible web applications. Proficient in HTML, Tailwind CSS, JavaScript, and modern frameworks, I excel at transforming creative concepts into responsive, high-performance digital experiences that prioritize user engagement and satisfaction.

Blending creativity with technical skills, I thrive in dynamic, collaborative settings where innovation fuels success. The opportunity to join your organization excites me, as it aligns with my goal of delivering meaningful solutions that redefine how users interact with technology. I am enthusiastic about contributing to impactful projects, turning visionary ideas into scalable, clean, and performance-optimized code that elevates user experiences.

CORE SKILLS

- Problem-Solving
- Exceptional communication and presentation abilities
- HTML/CSS Proficiency
- JavaScript Expertise
- Proficiency in Office Communication Tools (Microsoft Teams, Zoom, and others).
- Front-End Frameworks

WORKING EXPERIENCE AND DATES

HACKTOBERFEST (Digital Ocean)   OCTOBER 2024
(OPEN SOURCE)
Duties:
